All the stakeholders are hereby requested to note the following points regarding the Semester System vide Notification No: L/PR/176/2024 dated 18/04/2024.

- ❖ All the students who were not successful/could not appear in Class XI Annual Examination till the Academic Session 2023-2024, must continue Class XI academic curriculum (i.e. Semester I and Semester II) with newly introduced Semester System from the Academic Session 2024-2025.
- ❖ Any student who has already passed Class XI Annual Examination in 2024 or 2023 or any Continuing or Special Candidate, if desired, may continue Class XI academic curriculum (i.e. Semester I and Semester II) afresh under newly introduced Semester System from the Academic Session 2024-2025 by giving an undertaking in this respect to the Council through his/her Head of the Institution (HOI). This option is available **only for the Academic Session 2024-2025**, keeping in mind the interest of the students so that they can take the benefit of Semester System, if desired. **Please note that this option will not be available from next academic session and this cannot be cited as precedence.**
